Funding

Made possible by a United States Department of Agriculture grant with funds from the American Recovery and Reinvestment Act of 2009, the City of Maricopa is pleased to offer local entrepreneurs and businesses with the opportunity to receive targeted training and assistance to grow their local enterprises.

Program Overview

The Maricopa Small Business Training Program curriculum will help entrepreneurs and existing small business owners learn the steps needed to achieve their business development goals with training in strategic planning, legal issues, market research and analysis, financial documents and cash flow management. In addition, the training agency will offer direct counseling. Pre-screened and suitable volunteer resources will be brought into the classroom to explain how their disciplines contribute to the success of a growing business. Grant funding will cover all program costs for participants.
