

On June 16, 2009, the City of Maricopa passed ordinance 09-04 amending section 2207 of Article 22, Sign Provisions.

The purpose of the ordinance is to allow commercial developments, local businesses and not-for-profit agencies to be included in the existing City of Maricopa Kiosk Sign Program. This is in response to multiple requests over time by businesses and other groups interested in being part of this directional sign program.

On the reverse side is a map of the current kiosk sign locations with available panels for your review. Important dates are as follows:

- Pre-registration will end July 17, 2009
- Contracts will be issued the week of July 20, 2009, with an effective date of August 1, 2009
- Sign panels will be installed the week of July 27

City Kiosks Now Available for Business Use.

If your business or agency would like to learn more about the program or are interested in submitting an application please contact:
